

Study medicine in Belarus with just ₹20 lakh

OUR BUREAU

Hyderabad: With just Rs 20 lakh in easy instalments of Rs 1.33 lakh, studying medicine abroad has now become easy. The Medico Abroad which has prepared more than 1,000 students for foreign medical education since 2009 assures jobs in government and corporate hospitals back home in India.

Belarus, part of erstwhile Soviet Union, has been a preferred place for medical education to Indian students due to its high standards of teaching as well as recognition awarded by the Medical Council of India (MCI). With 5 campus buildings, 36 departments, 25 specialities, 370 professors and lecturers and 18 large clinics, the Medico Abroad is offering seats in

Gomel State Medical University established in the year 1990 and located in Gomel, the second largest city of the country. Rajaram, Managing Partner of Medico Abroad, stated that the motto of Medico Abroad is promoting "A doctor in every middle-class family". He said that the activities of Medico Abroad comprise counselling of students and parents, selection as per the eligibility criteria, admission confirmation and taking care of the entire documentation.
