LIAONING MEDICAL UNIVERSITY, CHINA.

Sub:- Information regarding formation of  
“LMU-INDIAN PARENTS ASSOCIATION”----Reg.

Respected Sir,

Greetings from LMU-Indian Parents Association!

We wish to inform with great pleasure that we have registered our LMU-Indian Parents Association, which was formed in August'2013. Your encouragement and approval of such formation during your recent visit to India in August'2014 has motivated us to register ourselves. Our main motto is to meet the emergency situations, remove any communication gap between students & university authorities, help maintain discipline and decorum at university campus by the students and to motivate studies among students, to be the best Doctors among the entire world.

First of all, we, LMU-Indian parents Association, express our shock on the recent untoward incident of one student riding motor bike unauthorized and hitting a local person, then remanded for punishment. We came to know that due to university intervention the student was saved. We thank you from the bottom of our hearts for rescuing the student's education career.

We, all the parents of LMU Indian students send our children with lot of TRUST and gave them FREEDOM to study in your prestigious university to reach their GOALS i.e., the Degree in Medicine. But a few untoward incidents like the above have disturbed us a lot. As such, we have decided to prevent such instances in future. Hence, all the parents of Indian LMU students registered this association to regulate the students and keep them away from unauthorized activities and to concentrate on their studies. It is our prime responsibility to save the dignity and decorum of our children.

Hence we request you, please take us into consideration and communicate any matters relating to students such as attendance, examination marks, discipline

activities etc. We assure you the support, co-operation and co-ordination from our association to maintain the discipline among students.

Our association official e-mail id is "[lmupc.ma@gmail.com](mailto:lmupc.ma@gmail.com)".

Thanks in advance for your support and help.

Yours sincerely,

*R. BHASKARA RAO*
