Dear Parents,

As most of you are aware that a parents association of the students studying at Liaoning Medical University was formed mostly comprising of the parents of 2012 batch but later parents of the subsequent batches also joined. The main objective of this association is to look after the welfare of the students studying at Liaoning Medical University, China. Initially the few of parents contributed Rs.2000/- per head and did the parents association registration process with by-laws and later opened account with Syndicate Bank, Narapally Branch, R.R.District.

As none of the students of the 2012 batch received the MCI certificate, the parents association General Secretary and Treasurer went to MCI office at New Delhi in the month of January 2015 and stayed there for three days and could clear the case of around ten students to get the MCI eligibility certificate.
